

Perfect Player – Setting Favorites

This tutorial will show you how to use Favorites in Perfect Player.

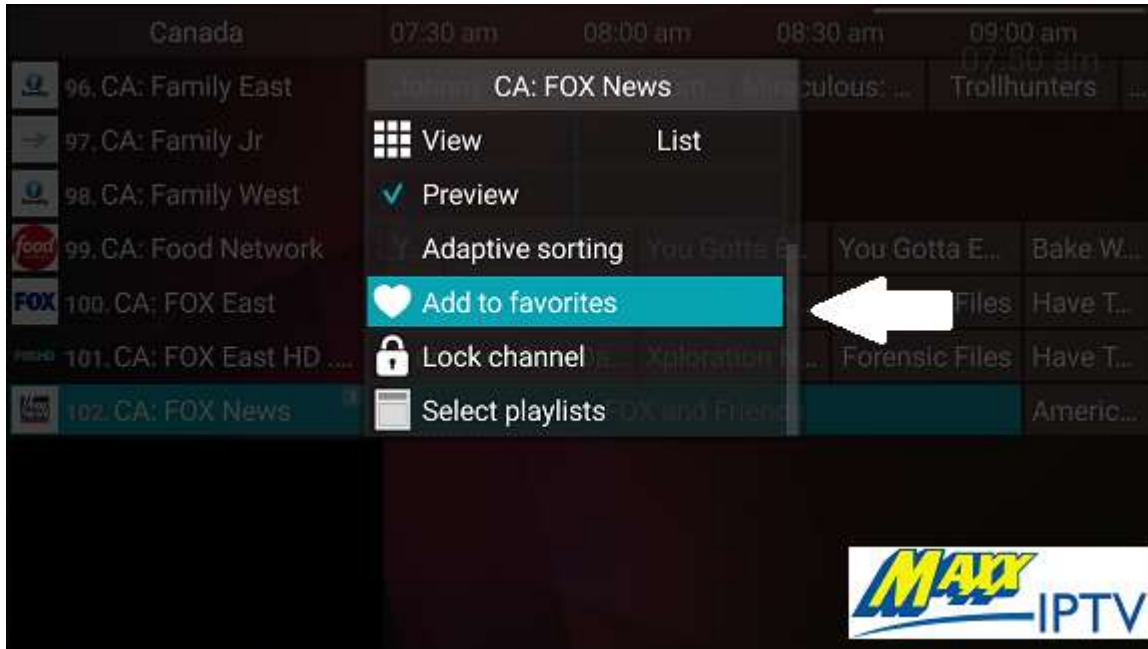

While you are watching perfect player, press the OK button to get the Channel List or Program Guide.

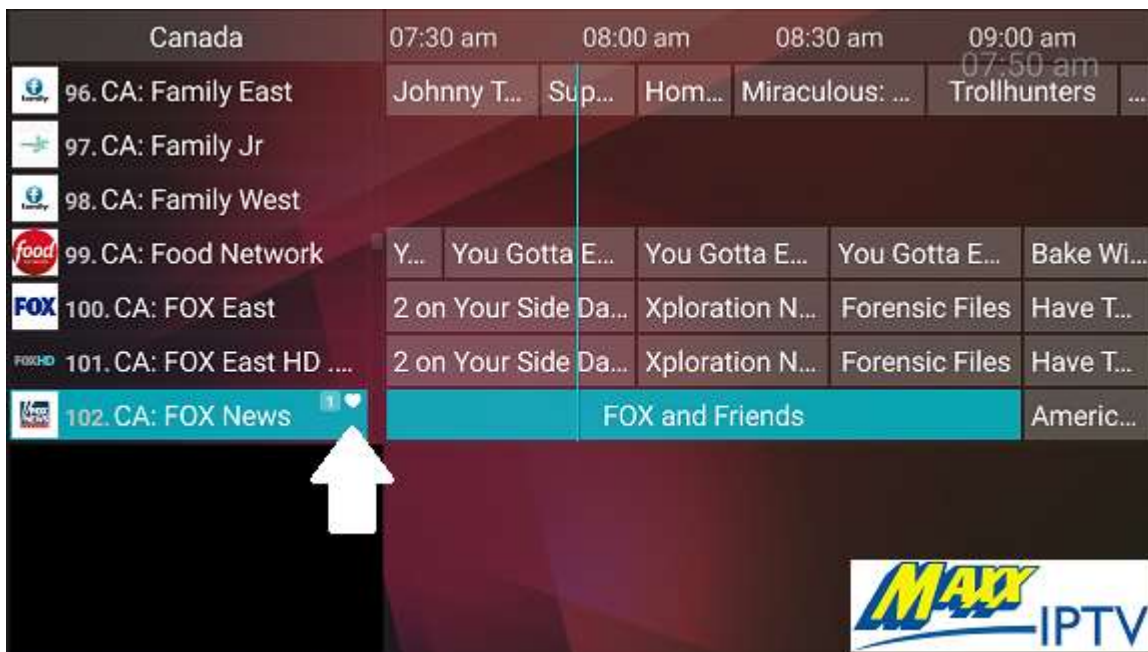

Highlight the channel you want to add to the Favorites List. Then Long Press on the OK to get display the menu.

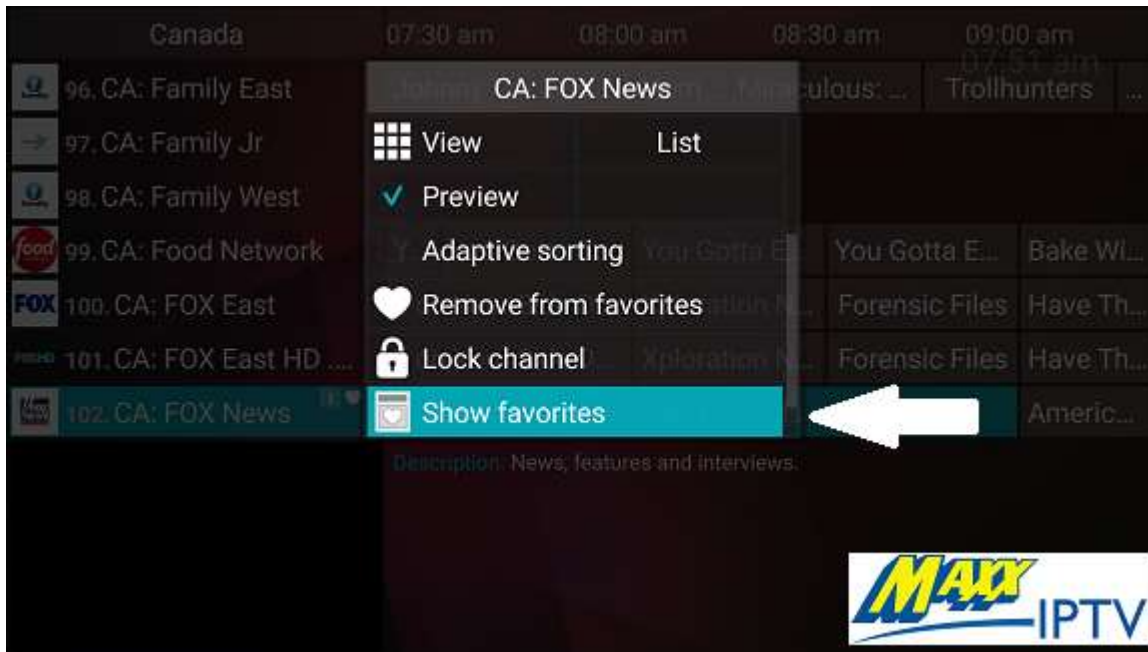

Scroll down and locate the Add to favorites.

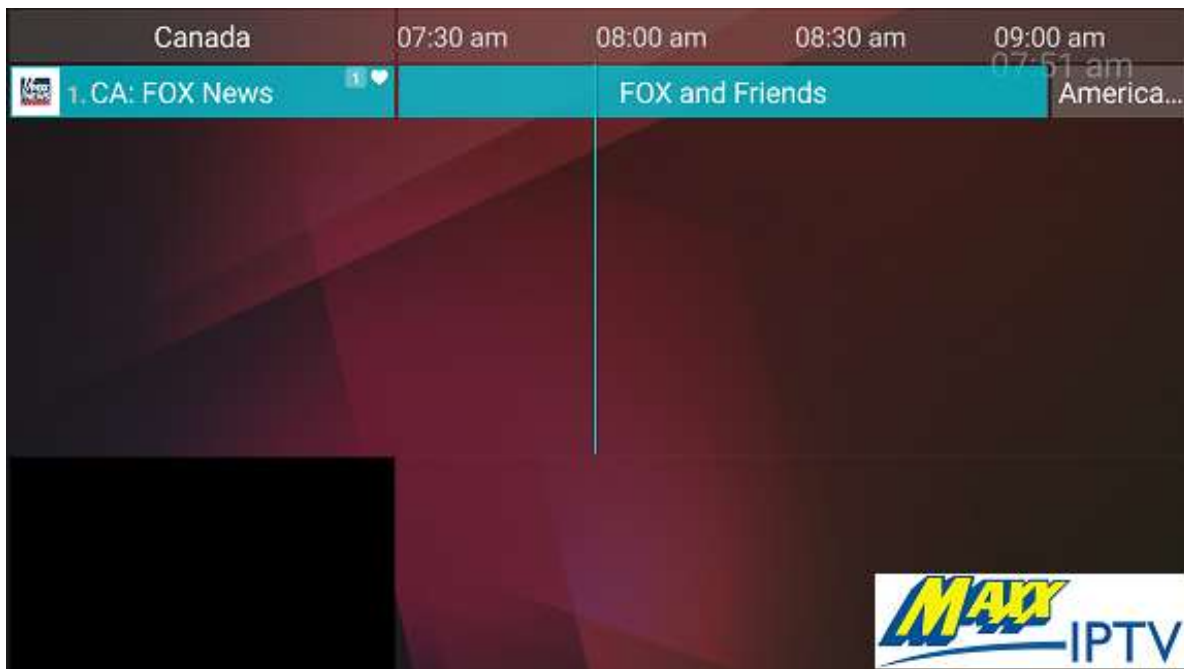

Once you select the Add to Favorites, the channel will have a "Heart" in the name

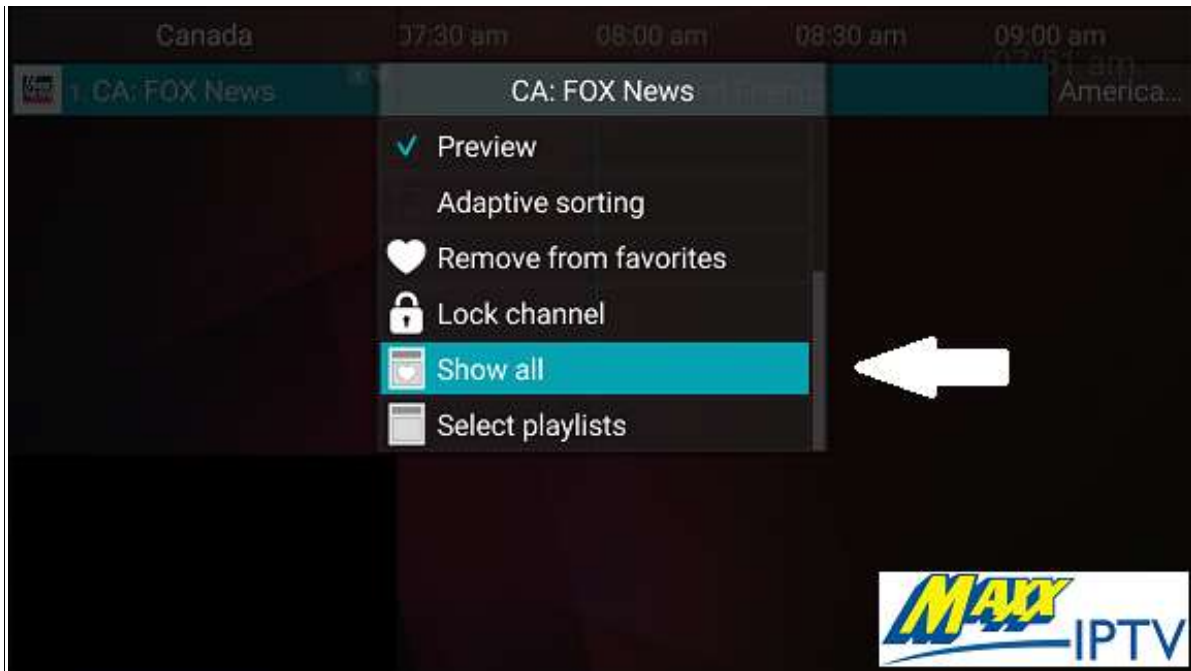

After you have added at least one channel into the favorites list, when you long press on the OK button while viewing the channel list or program guide, you can scroll down and you will see the “Show favorites” menu.

When you select the “Show favorites” menu, only the channels marked as favorites, will show up in the channel list..

While viewing the favorites channels, doing a long press on the OK will display the menu and now you will see “Show all “ menu item

Selecting the “Show all” menu will go back to displaying all the channels in the channel group you are currently in.

When you are in the channel list or program guide and you are on a channel that is currently set as a favorite (has a "HEART" in the channel name) and you long press on the OK button. The menu list will now display the "Remove from favorites" menu.

Pressing the "Remove from favorites" button, will remove the currently highlighted channel from the favorites list.

THAT'S ALL THERE IS TO USING FAVORITES IN "PERFECT PLAYER"!!!!
